Welcome to Worship!

What a joy it is to come together as beloved children of God!  
God invites us. God accepts us as we are. In this spirit of acceptance, we are brought together to live and grow as companions on this journey of faith. We are joined together by the river of life flowing through each of us. In our diversity we are formed into one by the love of God in Christ. Together we gather to give thanks and praise and to walk alongside each other in love.
