

We will be voting to call **Pastor Kalen Barkholz**

Taken from Pastor Kalen's current church's website:

A little bit about me: I grew up in Neenah, WI and received my undergraduate degree at the University of Wisconsin Eau Claire. Before entering the ministry, I taught seventh grade language arts and fifth grade general education.

One of the things I love most about being a pastor is walking with people through joy and sorrow and sharing God's love in all the moments of life. My passions include poetry— both reading and writing —and walking anywhere beautiful.
